

Hand Shower Accessories

All components of our hand shower systems are available individually for repair or addition to current systems.

bungyTM stainless steel stretch shower hoses

AF205C	59" to 80" Bungy SS Stretch shower hose	10	21.96
AF205C-N	59" to 80" Bungy shower hose, nickel	10	27.46
AF206C	78" to 100" Bungy SS Stretch shower hose	10	27.46

The original stretchable shower hose. Flexible stainless steel outer shell surrounds special EPDM inner hose creating a strong yet extremely flexible shower hose that stretches for greater tub area coverage, hangs straight and looks great.

SuperFlexTM shower hoses

AF105C	59" SuperFlex shower hose, white	10	12.46
AF106C	96" SuperFlex shower hose, white	8	18.96

Strong and flexible white shower hose with brass barbs for extra strength. Standard 1/2" chrome plated brass connections, including conical nut with o-ring, works with all hand shower systems. Available in 59" and 96" lengths

Hand Shower Brackets and Diverters

AF108C	swivel arm bracket for hand showers, white	6	5.96
AF208C	swivel arm bracket for hand showers, chrome	6	6.96
AF208C-N	swivel arm bracket for hand showers, nickel	6	9.46
AF218C	swivel arm bracket w/ brass ball, chrome	6	11.96

Installs easily on any standard shower arm and allows you to use a hand shower just like a wall mount shower. Available in white or chrome, made of high impact resistant ABS, swivels to allow easy change of shower direction.

AF117C	3 position wall bracket for hand showers, white	6	4.96
AF217C	3 position wall bracket for hand showers, chrome	6	6.46
AF217C-N	3 position wall bracket for hand showers, nickel	6	8.96

Three positions allows you to direct the shower spray where you want it and at any height you choose, or use more than one to have a choice of shower heights. Available in white or chrome finish, they install easily on any shower wall surface with either double faced tape or screws and anchors, both provided.

AF109C	shower arm diverter, push button, chrome plastic	6	6.96
AF110C	shower arm diverter, lever style, chrome brass	6	17.96
AF213C	3 Way shower arm diverter, chrome	6	11.46
AF213C-N	3 Way shower arm diverter, nickel	6	13.46

Traditional diverters allow you to add a hand shower to your current shower and use one or the other. 3 Way Diverter allows both showers at the same time

AF212B	24" Glide Rail for hand shower w soap dish, chrome	4	49.96
AF212B-N	24" Glide Rail for hand shower w soap dish, nickel	4	59.96

24" Glide Rail allows user to easily adjust the height of the shower, with soap dish, installs with screws and anchors, drilling is required.

AF222C	24" Sliding Flat Rail for hand shower soap dish, chrom	4	59.96
--------	--	---	-------

EZ Install with 24" of 3M VHB tape on back of flat rail, slides up and down easily, magnetic lock holds in place, includes soap dish, no drilling needed
